### **An Original Christmas Gift Idea from KeepStakes**

If you're searching for an original gift to give this festive season, but have run out of ideas, then an engraved garden plaque from KeepStakes could be the perfect solution. Ideal for every green-fingered friend or relative, each garden plaque is individually engraved to order with up to five lines of text – plenty of room to include a personal message or seasonal quotation, plus the date.

Each garden plaque is made from weatherproof aluminium and guaranteed to last for many years to come. The plaque can be presented with a new tree or plant, alternatively, National Garden Gift Vouchers can be added to the order so that the lucky recipient can make his or her own choice.

KeepStakes was set up by Julie Begbie after she spotted the lack of unique gifts to celebrate special occasions. She says “A KeepStakes garden plaque is a truly unique gift, perfect to mark any special occasion. As each plaque is personalised, it is a lovely way to give an original and personal present, which will outlast other more traditional gifts. ”

Prices start at £19.99, with the option of adding a gift box, seeds or garden centre vouchers to the order at extra cost.
